A Message from the State Executive Council...

The State Executive Council would like to take this opportunity to congratulate all of the members, advisers, and guests that attended the National Leadership Conference in Nashville, TN. The Pennsylvania competitors were able to take home 20 different awards! Keep up the great work Pennsylvania! Also, we hope everyone that attended the State Outing had as much fun as we did! We will be working to plan another State Outing to be held at the National Fall Leadership Conference in East Brunswick, New Jersey this November! Finally, we congratulate Megan Beatty for being successfully elected as the 2006-2007 National Phi Beta Lambda Eastern Region Vice President! The SEC looks forward to working with Megan throughout the year.

A Message from the Eastern Region Vice President

Pennsylvania Phi Beta Lambda Members,

I wanted to take a few minutes to thank each of you for your support of me and my campaign for Eastern Region Vice President at the National Leadership Conference in Nashville. I was truly honored by the help and support that you provided. Whether it was a kind word, help at my campaign booth, support at general sessions or any other helpful task, it truly played a large part in my success. Being elected to a National Office was a dream that I felt was unreachable; but with your help I was able to accomplish this.

I am so excited to kick off this year as the 2006-2007 Eastern Region Vice President. I have lots of ideas for the region and the organization, but would love to hear more. If you have any ideas or concerns please call me (610-360-2726) or email me (pblervp@fbla.org).

THANK YOU!

Megan Beatty
