**Plan to attend the 2006 National
Fall Leadership Conference!**

November 10-12
East Brunswick, NJ

A Message from the President...

Over the summer, Kimberly Ciotti found it necessary to resign from the office of President of Pennsylvania Phi Beta Lambda. As Vice President, and according to the bylaws, I have assumed the role of President. Please refer to the updated Welcome Packet for changes in contact information, and feel free to contact a state officer with any questions or concerns you may have. I am looking forward to working with all of our Pennsylvania Phi Beta Lambda chapters and hope to meet many of you at the State Fall Officer Orientations being held at Duquesne University and Drexel University. Together we can make this the best year yet!

Yours in PBL,
Lori Korchok, State President

You've Got Mail...

The State Executive Committee would like to remind all chapters to be checking the mail as the 2006-2007 Welcome Packets have been mailed and should be arriving in early September. This packet contains important information regarding state goals for the year, information about important changes to membership registration and dues, and contact information for the State Executive Council. In addition, we are asking that each chapter complete the "Local Chapter Contact Form" located on the last page of the packets and mail it to the State Secretary, Tristan Myers. This helps with the formulation of a State Chapter Directory.

Also, each chapter should be receiving updates to the National Chapter Management Handbook. These updates are from the national office, and should be arriving in the mail by the first week in September. These updates are vital to succeeding at the 2007 State Leadership Conference as they include updated event lists and changes in the formats of some events. The State Testing Coordinator will be under the assumption that each local chapter has received these updates, so, if you do not receive them by September 30th, you need to contact the national office.

State Fall Officer Orientation (SFOO)

The State Officer team will be putting together two SFOOs for the membership. One will be held at Duquesne University on October 14th, and the other will be held at Drexel University on October 28th. These workshops are **FREE** and provide members with important tools to help the local chapters have a successful year! Come to hear what the state officer team has planned for the year, gain ideas for chapter projects, and get to know Pennsylvania's enthusiastic members! Registration materials can be found in with the 2006-2007 Welcome Packet. We hope to see you there!

The State Executive Council would like to thank the following schools for allowing us to use their facilities for an SEC Meeting:

Elizabethtown College—July 9th

Central Pennsylvania College—August 19th

If you would like to host an SEC Meeting please contact Lori Korchok for more information! You could earn points for your school for the Outstanding Chapter Challenge!

Pennsylvania Phi Beta Lambda will be having a State Help Out Day with Habitat For Humanity of the Greater Harrisburg area on Saturday, December 2, 2006. The schedule will be split into morning shift from 8:15 a.m. – 12:00 noon and afternoon shift from 12:30 p.m. -4:00 p.m. All tools and drinking water will be provided. Space is limited, so please contact Lori Korchok to sign up.

For more information on Habitat, or to find a Habitat division near you, go to www.habitat.org.
